DESCRIPTION:

CONDOMINIO ARTE is an exhibition space located in the center of Milan, capable of hosting exhibitions, shooting, fashion shows, promotional events, company presentations, courses, workshops ...

The space is large and bright: an open space of 100 square meters, overlooking a small private courtyard / garden with direct access from the street. The location, characterized by a contemporary and minimalist style, is ideal for events related to art, fashion, design throughout the year and in particular during the weeks of the Fuorisalone and Milan Fashion Week.

One of the strengths of Condominio Arte is the easily accessible location, a few hundred meters from the subways and trains of the Central and Garibaldi stations. A strategic place, at the center of the new Milanese attractions such as Porta Nuova and its skyscrapers, Piazza Gae Aulenti, BAM Park, Corso Como, Isola District.
